"It's difficult to imagine a more enchanting place to take a buck-of-a-lifetime than on Dakota Outfitter's preserve in central Ohio. Not only are the whitetails world-class, but the entire experience was first-class. I'm pleased to recommend a hunt with Dakota Outfitters and look forward to my return there!"

“Hunt bucks as big as your dreams!”

“There is little in the sporting world that compares with the thrill of watching a giant white-tailed buck emerge from the radiant splendor of Eastern Ohio's hardwoods. Amidst this natural tapestry of vivid red, gold, purple and green clad hills, Dakota Outfitters offers whitetail aficionados the opportunity to hunt bucks as big as their dreams.

I have hunted with Dakota Outfitters on two occasions and was amazed by the quality of the deer and delighted with the services provided. Dakota Outfitters get my highest marks!”
